Dear Parents/Caregivers

We are very excited to announce that the 46th annual Broadgreen exchange is happening once again!

Broadgreen is an Intermediate School in Nelson whom we have shared a long standing relationship with. Every alternative year, CSKI hosts 90 students from Broadgreen Intermediate, and this year is our turn to host once again!

The exchange usually happens in the last week of Term 3 however, due to Covid-19 implications, we made the decision to move the Broadgreen exchange to Term 4, Week 4. The 2020 Broadgreen exchange will take place from Monday 2nd November to Friday 6th November (4 nights homestay).

We are starting the process of gathering information about which families would be interested in hosting a billet, as we need to police vet all applicants - a process that can take up to 4 weeks.

The visiting children attend school with your child and will need a daily packed lunch. A disco is planned for Thursday evening for South hosting students and their Broadgreen billets at no cost.

Past experience has proven that many long-standing friendships are established as a result of this exchange. If your child was involved in the exchange last year they may wish to host the person he/she was billeted with and this can be indicated on the form.

Please complete the form via this link if you would like to host a Broadgreen student
