Kia ora,

Winter Sport - Netball

Your child has identified they are interested in playing Netball for the 2021 season. The Winter Sport programme starts on Tuesday 1 June next term and goes for 10 weeks, finishing on Tuesday 17 August.

Netball is one of the many sport opportunities CSKI has available for our students. As a popular sport at CSKI, we need the support of parents to make ensure we are able to run this opportunity successfully.

Before we are able to get our trials underway, there is some additional information that we need from both you and your child. This information will be used to inform our Netball trials and teams.

Trials and teams will be combined for year 7 & 8. The trials will take place after school during weeks 10 and 11 of term 1 and week 1 of term 2. We will be communicating about further dates for our trials through the notices and our school Practice Calendar.

Please complete the google form via this link <https://forms.gle/o9L6Y57kT4U4AkeA6> by 5pm Tuesday 6th April.
