Dear Parents and Caregivers

Kia ora tatou

This week at assembly we looked at Gratitude – expressing appreciation for the people, places and opportunities in our lives. The enchanting skit prepared by our wonderful 24/7 Youth workers, Tash and Matt, and a group of students from N3 saw a character called 'Thankfulness' approaching students who were complaining about things such as the quality of camp food or rugby practice in the rain. Thankfulness challenged them to switch their thinking from negative to positive and to show and express gratitude to people. Our Head Students reinforced this message through the assembly and we have asked South students to practice gratitude over the holiday break.

South is committed to Restorative Practice as both a guide for respectful relationships and a problem solving approach when problems occur. We focus on three steps: exploring the harm done, taking responsibility and fixing the problem with sincere apologies and co-constructing a plan to move forward. ERO and the Ministry of Education acknowledge

this approach is instrumental in creating and sustaining the positive atmosphere evident at our school.

Marg Thorsborne, International Restorative Practice Consultant, Researcher and Author spent Monday here this week working with our staff and spoke at our successful Community evening for parents interested in learning more about this approach and how it can be implemented at home.

Manaakitia te tangata, ahakoa ko wai, ahakoa no hea.

Treat people with respectfully, irrespective of who they are and where they are from.

School Uniform

The vast majority of our students are well presented and correctly attired every day.

Our school uniform promotes a sense of belonging and pride and removes competition in dress.

All students are required to wear correct school uniform at all times, this includes correct PE uniform.

If your child is unable to wear correct uniform, we require a note from home in order to issue a Uniform Card. This card shows that the student has followed our process.

If a student does not have a note from home, a Uniform Card will be issued and it will be recorded that there was no supporting explanatory note from a parent.

If a student presents for a second uniform Card without a note, they will be required to forfeit twenty minutes of their lunchtime re-visiting the School's Uniform requirements.

To support this we ask that parents ensure all uniform items are well named and that PE gear is bought to school every day. There are a large number of un-named polar fleeces and jerseys, shorts and boys' socks on our Lost Property rack.

If any family is having difficulty providing correct school uniform please contact the school as we may be able to help.

Haka Off 2017

On Tuesday 11th April, we held our annual Haka Off Challenge. It is a competition between the pods to see who can perform the school haka, "Te Kura o te Tonga", with the most te ihi, te wehi, te wana (charm, inspiration, and awesome power!) And the champions were... Sheppard Pod!

Well done to all of the leaders from each pod that showed a great level of pride for themselves, their pod and their school. They all did a stunning job! And thank you to the students who supported the school in singing the welcoming waiata at the beginning of the event.

We would like to thank our whānau and community for coming along to support their tamariki on the day. We would also like to extend a thank you to the students, teachers, and parents from Addington School and Cashmere Primary School, who took time out of their day to attend the event as well.

Korfball Champions!

After a week of postponement dates and a change of venue, the Korfball Canterbury Year 7 & 8 Tournament was held at Cowles Stadium on Monday 10th April. Twenty South Students participated in two teams, against 7 other teams. The students had been training extremely hard, every

Thursday morning at 7.45am since Week 1.

The B team comprised of mostly Year 7 students, for whom this was their first taste of a Korfball competition. They played extremely well, only losing to eventual finalists South A and Queenspark.

The A team went through pool play undefeated, with some outstanding performances including an 11-nil win in their first game! They came up against a very tall and strong Queenspark in the final, and until the final few minutes the score was sitting at 1 all, with both teams playing some very tough defence. A running shot to Jesse towards the end of the game proved the deciding factor in the end.

From the day a Tournament team of 8 (4 boys and 4 girls) were selected, and South managed to get 4 players identified in this group. A massive congratulations to Jesse, Tyler, Sammy and Esther for being selected by the selectors.

There is a tournament each term, so if you have missed out this time there are plenty more opportunities! Come along to trainings on Thursday mornings and be part of the action!

A huge thank you must go to our wonderful group of parents and supporters who were there the whole day cheering us on!

Huxster Mountain Bike Relay 2017

550 competitors arrived at McLean's Island on April 7th, vying for trophies in the Huxster MTB relay. With 68 students participating, CSIS had the largest school contingent of biking enthusiasts. Our flyers have a proud history at the event and once again proved how competitive South is, dominating the proceedings with a streak of podium finishes.

Rain had poured down over the previous 3 days and portions of the tracks were submerged in large puddles. Thankfully, blue skies and mild conditions smiled on us for the day but the mud was never going to clear up. Unperturbed, the South Team ploughed through the muck and wet and by the end of the day they were wearing half of McLeans Island!

All the South Team were extremely well supported by parents and caregivers; BBQs, a coffee cart, Gazebo Outfitters and Transponder Swappers kept our riders charged and ready for the demands of each lap. Without such an awesome community around us, an event like this could not successfully go ahead.

Full credit to all our riders for racing 3 and a half hours in these challenging conditions. Here is a list of our place getters:

Canterbury AIMS Swimming Sports 2017

This was the first time that this was an AIMS swimming event which meant that swimmers from colleges with Year 7 and Year 8 students from the Canterbury area were competing with Intermediate School swimmers. The competition amongst

students was substantially increased and Christchurch South students definitely stepped up and showed that they were among the best. All South students should be very proud of their results.

Congratulations to those that attained 1st-3rd placings.

Inter-School Duathlon 2017

On Monday 27th March, 37 of our top school Duathletes competed in the Inter-School Duathlon at Ruapuna Raceway. The day provided some fairly wet and cold conditions, however all of these students showed immense grit and determination, with no complaints at all! They should be extremely proud of their efforts.

Congratulations must go to all of our students who participated. It was pleasing to see everyone giving it their all from start to finish. A special mention must also go to the fantastic group of parents who were able to transport our competitors and their bikes out to the event. Without these parents, events like these are not possible.

Kids Lit Success

On Monday the 27th of March, our Year 7 and 8 Kids Lit Quiz Teams went to Cobham Intermediate to compete against 71 teams for the chance to win prizes and placings. The competition involved answering one hundred questions about books from

different categories. This year's categories included Rodents, Saints, Secrets, Portals, Powers and even Pigs. Both teams won a category prize, in which they were the highest scoring team in that category. The competition was exciting and huge congratulations go to the Year 8 Team of Billie, Leah, Hermione and Isabelle for coming 3rd. Congratulations also to the Year 7 team who gained a credible 16th placing.

Shave for a Cure

The multi-media support teacher aide at Christchurch South, Emma Small, decided to join Shave for a Cure, the Leukaemia & Blood Cancer New Zealand's signature fundraising event.

Each year, thousands of Kiwis get sponsored to shave their heads in support of people living with blood cancer. Emma asked Mrs Lipscombe and the Social Awareness Team to help with running event. Ten brave students signed up to do, "the shave"; Jacob, Callum, Ciaran, George, Nicholas, Molly, Ita, Toby, Maurice, Max. Mr Callaghan, the Digitech teacher, volunteered to have his beard shaved and Mr Sagar offered to have his braided.

On Tuesday 21 March at lunchtime the Social Awareness Team held the shave of the cure event where people could donate money to watch the heads and beards being shaved or styled. The school raised more the \$400 which goes towards the team total, so far at \$2860. This places Christchurch South 7th on the schools' leaderboard. Ciaran is our top fundraiser with \$680.

Their heads might be cold but together we are 'Embracing Challenge!' We would like to thank the amazing hairdressers, Sarah and Anna who donated their time and skills for free. You can still support the team by donating at [Team Fundraising Page](#)

CSIS Swimming Sports 2017

It was a miserable day outside but inside Wharenui Sports Complex it was a completely different environment.

Spectacular swimming from spectacular students was evident in both the Year 7 and Year 8

sessions. Congratulations to all of the students who participated in this event and I particularly commend you on the way you showed The South Way throughout your time at the pool. Special congratulations to those who placed. We were treated to viewing many accomplished swimmers who were admired by the staff and parents in attendance.

Ka mau te wheti! (Awesome/fantastic).

Absence

If your child is unwell, unable to attend school or late **it is essential** caregivers phone and advise the office by **pressing 1** on our telephone voicemail before 8.40am. When leaving a message please ensure that you give the office your child's name, room number and the reason for the absence. Alternatively you can email the office on absent@chchsouth.ac.nz or send an absence through the School App.

It is a Ministry of Education requirement that if a child is going to be absent from school for whatever reason a parent or caregiver must make contact with the school explaining the reason for the absence.

We ask that if you email your child's classroom teacher with regard to an absence that you also inform the office.

Lateness

If your child is late to school for any reason, they are required to come to the office to sign in and receive a late pass **before** they make their way to their classroom. We thank you for your assistance in helping us to keep your children healthy and safe.

Leaving school during school hours

If your child needs to leave school for any reason during school hours, please provide a note for the classroom teacher, which is also shown to the office staff before the student leaves school. Their name, class and time of leaving will be recorded when they sign out. If your child is returning to school they must come back through the office to sign back in.

Leaving School due to Illness

If your child is unwell during school hours the procedure is for them to come to the school office and be admitted into the sick bay area. The school office will then ring the parent/caregiver if they are required to go home. **Please discourage your child from texting asking to be picked up because they are feeling unwell.**

Wet Day Procedure

If the weather is cold, wet or inclement and restricts student activity the school will shorten the lunch hour by 15 minutes. School will finish at 2.45pm on such a day. To confirm that the day has been shortened telephone the school on 3322408 then press 2 as the office will leave a message on the voicemail under "school notices, early finishes and cancellations".

Cellphones

Below is our school's current policy on cellphones. Any home-school contact (phone call or text) is to be through the school office. Thank you for your co-operation.

Procedure 5.06

1. Cell phones

- a. Should a student bring a cell phone to school it is not to be used during the school day unless under direct supervision of a teacher when the device is used to assist learning. The basic rule is "Invisible, inaudible or in the office."
- b. Cell phones brought to school can be handed in to the school office for safe keeping and collected at the end of the day.
- c. Emergency messages for students are dealt with through the school office.

Naming of School Clothing

Please ensure that **all** school clothing is clearly named this should also include school hats, socks and shoes.

Concerns

If you have any concerns about your child's welfare or any situation which is impacting on your child that you feel needs addressing please do not hesitate to contact Polly Hutchinson, Associate Principal at any time.

Bikes, Scooters and Skateboards

We encourage students to build their independence by cycling, skating or scooting to school. Cycles are locked in the cycle compound and scooters and skateboards have a lock up behind Rutherford Pod. It's important that the cycle, skateboard or scooter is locked independently as the compounds are unlocked from 2:55pm to 8:50am the following morning. Any item left in overnight is at risk of being stolen. Please discuss this with your child, if they have e.g. Theatre Sports after school and their padlock isn't working, encourage them to take their wheels with them, it's not safe leaving them in an unlocked compound.

School Canteen

The school canteen is located at the end of the hall opposite the library. The canteen is open every morning from 8.20am. If you wish to order your lunch please do so **before** school. Order forms are available from the office, online from our website under the Home tab, General Information tab, Canteen tab and then double clicking the Canteen Price List and Order Form or from the canteen at the School. Snacks are available at morning and lunch breaks. Please remember juices are only available at lunch break. Please be patient when coming to purchase items, remember a smile, a please and thank you make our day a happy one. *Maryanne Mills– Canteen Manager*

Leisure Education

What is Leisure Education?

Each year at South, we run a Leisure Education (L.E.) programme on Tuesday afternoons during Terms 2 & 3. This is a unique opportunity for our students to participate in exciting and challenging extra-curricular activities, many of which they may not have tried before. The children are given a chance to sign up for activities that interest them. As choices may alter term by term, we encourage *everyone* to try something new each rotation.

There may be a cost associated with some activities; however, we strive to provide a balance of fee-paying and free activities each term. Options for Terms 2 & 3 will be announced later in Term 1.

If you (parents/caregivers) have a skill, trade or hobby that you would be keen to share with a small group of pupils during our L.E. programme, we would be delighted to hear from you. This is another **excellent** opportunity to become involved in our school community.

Please note: *If your child tries out (and is selected) for one of the Hagley Winter Sport teams, they will be committed to this team for all of Terms 2 & 3.*
