School Swimming Sports

Your child has elected to participate in the Christchurch South Karamata Intermediate School Swimming Sports. The swimming sports will take place on Wednesday 29th June at Wharenui Sports Centre, Riccarton.

The students will be travelling to and from Wharenui Pool by bus. Students are expected (traffic permitting) to return to CSKI by approximately 2.45pm.

You are very welcome to attend this event and support your child. Races start at 10.25am and should be finished by 2.30pm.

Commitment

It is great that your child has entered into this event and we have advised all students that they have committed themselves to attending. **If for any reason, you don't wish your child to participate or they will be absent from school on the day, then please write a note to Ms Johns in R2 or email her (g.johns@chchsouth.ac.nz) by Friday 24th June so that their entry can be removed.**

Equipment Required

Students are to arrive at school in their PE gear, they are to bring their swimming togs, towel, goggles (if required), a face mask for travelling on the bus and any medication they may need. It is recommended that they take a drink (in a labelled bottle), lunch and snack foods to last them a full day. We also ask them to bring an additional bag for their wet gear. All jewellery and valuables are to be left at home. Devices can be left with the classroom teacher at school.

Competitors will use the changing facilities at Wharenui Pool, to change, once they arrive. When students leave the pool to come back to school, they are expected to change back into their school P.E. gear.

If you have any questions or require further clarification, please contact Gae Johns who is the co-ordinator for the swimming sports at g.johns@chchsouth.ac.nz.
