Dear Parents/Caregivers,

Accelerated Literacy Learning (ALL) Programme

We are pleased to inform you that your child has been selected to be part of our ALL literacy group for 2021.

The major focus of this group will be to accelerate the writing skills of the students. The students will be meeting four times per week, for 25-30 minutes. These writing sessions will run for approximately 12 weeks during terms two and three.

This is an opportunity for your child to work in a small co-operative group with a teacher, developing their ideas, vocabulary and the structure of their writing. You will have an opportunity to share in their learning as part of this process, as well as to support their writing progress.

Please contact your child's homeroom teacher if you have any questions about the programme.

Ngā mihi nui,
